Special Wholesale Price List for Season 1898

SOLE AGENT FOR AMERICA AND CANADA
AUG. RHOTERT
26, Barclay Street, NEW-YORK

Ghent, printed by C. Annoot-Braeckman, Ad. Hoste, succr.

TERMS.

All my **Invoices** are payable 3 months from date in gold prices to the order of my New-York agent Mr. Aug. RHOTERT, 26, Barclay St, New-York.

For **cash payment** with order, 5 % will be allowed. For **prompt payment** after examination of goods, a discount of 3 % will be deducted from my invoices or on payments made one month from date of invoice.

Cases, Packing, Freight, Marine insurance are charged at cost and must be paid on arrival of goods in N. Y. All goods travel at buyers risk and while I exercise the greatest care in packing and selecting, I shall under no circumstances assume any responsibility for loss in transit. All complaints must be made on receipt of goods to Mr. Aug. RHOTERT, 26, Barclay Street, New-York.

Early **Orders** are solicited to facilitate securing choice plants at low prices, if the demand should be in excess of my own supply. Orders for the spring should be given early in the fall and vice versa, orders for the fall early in the spring.

I decline all **responsability** for shortages, which may occur on account of failure of crop, or on account of the growth of Plants during the season.

Prices are subject to change without notice. I will invariably try to meet prices of the competition and will give special prices on application on **larger** orders.

All orders executed by me will be consigned for reshipment to M. Aug. RHOTERT, who will attend to the reforwarding to the best advantage of my customers.

I have accumulated a very choice stock of Araucarias, Azaleas, Palms, Begonias and Gloxinias, Rhododendrons and Bay Trees and will invariably guarantee entire satisfaction at low prices and can refer you for reference to the best known wholesale florists in the U. S. and Canada. I solicit orders from the wholesale trade only.

Hoping to be favored with a share of your patronage, I remain,

Yours very respectfully,

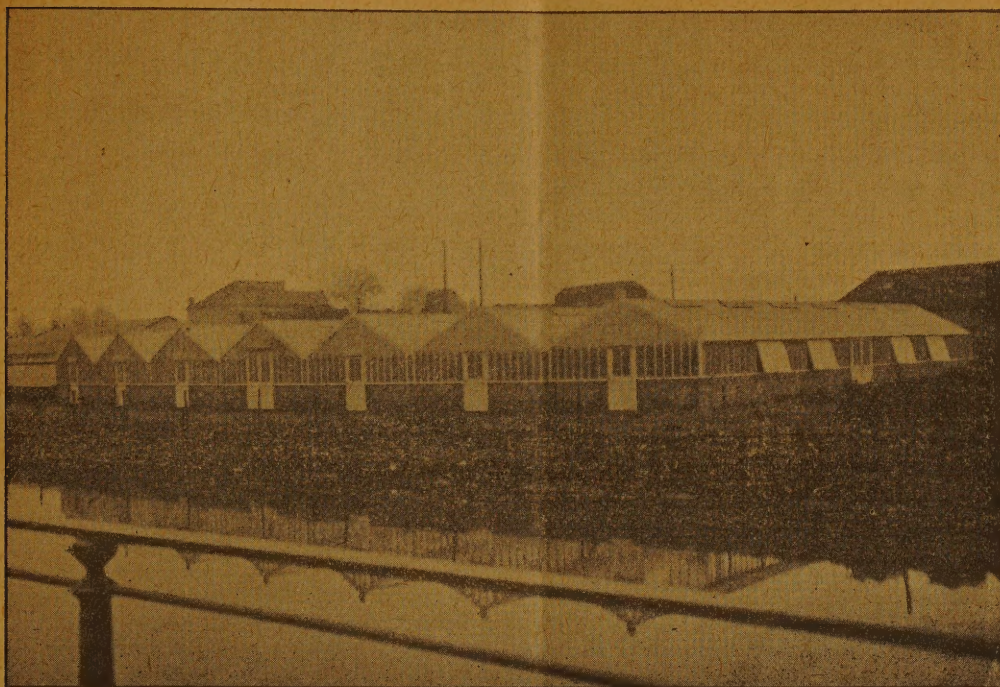

EDW. PYNAERT-VAN GEERT.

At the great International Flower Shows of Ghent, where I have exhibited in competition with all the prominent growers in Belgium, I have received the highest rewards.

ANDROMEDA (PIERIS) JAPONICA.

COLLECTION of the principal varieties especially grown for the U. S. and Canada.

I have a very choice and large stock of all these varieties on hand.

A. Borsig. — Fine double white sweet scented for forcing.

Appolo. — White striped with rose extra fine form single.

AZALEA INDICA well shaped SPECIMENS.

My collection consists of Specimen Plants of all sizes. — Prices on application.

Large sized true shaped plants are always very scarce and should be ordered very early in the Spring for Fall Delivery.

☞ With half-specimen and specimen plants it should be understood that not only size, but also variety and shape, make the value of the plants.

Bernhard Andrea. — Deep rose, double.

Bernhard Andrea alba. — White, double.

- Comtesse de Flandre.** — White rose large flower good form single.
- Cha. Pynaert.** — Very large flower, pink rose white double.
- Deutsche Perle.** — Free flowering early blooming variety pure white very double.
- Dr Moore.** — Deep rose, shaded violet half double.
- Empereur de Brésil.** — Deep rose purple with white double.
- Empress of India.** — White salmon-rose and carmine intermingled double.
- Germaine Pynaert.** — Rose pale carnated double.
- Hermosa.** — Dark violet purple double.
- indica alba.** — White best for forcing single.
- Köningin der Weisse.** — Pure white single.
- Le Flambeau.** — Very dark scarlet single.
- Louisa Pynaert.** — Double white flower about four inches across late variety.
- M^m Camille Van Langenhove.** — White striped with crimson double.
- Mme Van der Cruyssen.** — Rose half double.
- Pauline Mardner.** — White rose semi-double.
- Prof. Wolters** — Rose border of white single.
- punctulata.** — Very double rose orange color.
- Léon Pynaert.** — Brilliant rose double.
- Niobe.** — Double White.
- Raphael.** — Double for forcing-white.
- Roi de Hollande.** — Deep scarlet fine form single.
- Sacuntala.** — Large alabaster white double.
- Sigismund Rücker.** — Rose lilac bordered with white single.
- Simond Mardner.** — Rose double.
- Vervaeneana.** — Very large pure rose striped white double.

We have a stock of quite a number of other varieties, which however are not in current demand in the U. S. and Canada. Brick colors only supplied on application.

DWARF AZALEAS ON OWN ROOTS.

Charles Enke. — Single rosy salmon, marginated with white, very fine.

Marie-Louise. — Single white, slightly tinged rose
